# PRESS COMMUNIQUÉ.

Dated Fort St. George, 16th August 1938.

[Famine-Relief, Amisqur and Kermool.]

No. 200.

The measures taken up to 26th July 1938 for the relief of distress caused by adverse seasonal conditions in the Bellary, Amisqur and Kermool districts were summarised in the Press Communique of that date. A brief account of the measures taken since then is given below for general information.

## I. BELLARY DISTRICT.

1. Seasonal.—There was some rain during the whole of the period under review, but it was not sufficient for starting agricultural operations on a large scale. The seasonal conditions continued unchanged otherwise.

2. Famine works.—Famine relief works and one that work continued to be in operation. The total number of workers employed during the week ending 30th July 1938 was 45,972 on the relief works and 1,188 on the tank work as against 32,374 and 863, respectively, during the week ending 26th June 1938.

The Government have sanctioned under the provisions of the Famine Code a special scheme, for the relief of weavers in the Yammagour and Nagallidra villages of the district.

As the prescribed scale of money allowances did not in the case of some classes provide any extra wage for the additional vegetable ration sanctioned in 1936, the Government have directed that money allowances should be paid according to the rates prescribed, before the revision of the diet scale in 1939 with an extra pie (quarter anna) for each class for which the extra vegetable ration was allowed.

3. Fodder.—In the Press Communique, dated 7th July 1938, it was stated that sanction had been accorded for the collection of 1,500 tons of hull grain. All the hull grain collected has been sold. Arrangements have been made to collect 300 tons more of hull grain before 15th August 1938 for which purpose an additional allotment of Rs. 5,500 is being sanctioned.

Land revenue.—The Government have extended the land revenue concessions already sanctioned for the dry lands in the three districts, to lands which though protected by walls were not actually irrigated.

A remission of 75 per cent in the assessment on Government dry lands in the four villages of Durgi and Devanahalli in the Hospet taluk has also been sanctioned.

Gratuitous relief.—The total number of persons in receipt of gratuitous relief during the week ending 30th July 1938 was 29,356 as against 18,375 during the week ending 26th June 1938.

Condition of people.—Public health was generally good.

Miscellaneous.—The Government have sanctioned co-gratia payments to workers who were injured during the course of the relief operations.

## II. AMISQUR DISTRICT.

1. Seasonal.—There was some rainfall in this district during the period under review, but it was not sufficient for starting agricultural operations on a large scale. The distress in Gooty and Tadpatri taluks continues.

2. Famine works.—No new work was sanctioned during the period under review. Six relief works are now in operation. The total number of workers during the week ending 30th July 1938 was 22,569 as against 21,136 during the week ending 26th June 1938.

The weaving centre at Urukonda is providing relief for weavers at their own cost. The average number of persons thus relieved daily during the week ending 30th July 1938 was 124.

3. Fodder.—As the fodder scarcity is reported to be worse in the Kalyandurg taluk, the Collector is being permitted to obtain fodder from contractors at one of absolute necessity in the cheapest and quickest way possible if the hull grain supplied by the District Forest Officer, Fodder division, is not sufficient to meet the demand.

Gratuitous relief.—The total number of persons in receipt of gratuitous relief during the week ending 30th July 1938 was 16,023 (including thereon weavers' relief) as against 13,634 during the week ending 26th June 1938.

Loans.—The amount of loans disbursed during the period under review was Rs. 4,570.

Condition of people.—Public health was generally good.

## PUBLIC DEPARTMENT.

(Circular.)

## TRANS COMMUNIQUE.

Dated Fort St. George, the 18th August 1904.

No. 100.

Under rules 22 and 43 of the rules for the conduct of elections for the Madras Legislative Assembly and rule 26 of the rules for the conduct of elections for the Madras Legislative Council each candidate has to pay an election deposit to the Returning Officer in cash but may if he wishes pay the money into a Government treasury or sub-treasury and take the receipted cheque to the Returning Officer. It has been pointed out that this arrangement of making cash deposits with Returning Officers is contrary to the normal procedure for paying money to Government which is that it should be paid into the Government treasury by the party and the receipted cheque produced before the officer who has to take administrative action as a result of the payment. The normal procedure referred to also prevents the accumulation of cash in those administrative offices which have not got facilities for the custody, accounting and disposal of it.

The Government, after considering the question, have decided that in future election deposits should not be made in cash with the Returning Officer but should be made at the Government treasury and the receipted cheque delivered to the Returning Officer as an evidence of the deposit having been made. Amendments to the rules are being issued separately.

H. M. HOOD,  
 Chief Secretary.

## DEVELOPMENT DEPARTMENT.

## PRESS COMMUNIQUE.

Dated Port St. George, the 15th August 1930.

Sir,—

Under section 3 of the Trade Disputes Act, 1920, the Government are pleased to appoint Khan Sahib Javed Hassan Khan Sahib Sahibzada, B.A., LL.B., Collector of Madras, as a Court of Inquiry, to enquire into and submit findings on the following points at issue between the workers and the management of the Chittavaram Paper Mill—

- (1) Whether there is any reasonable way to avoid the retrenchment of the 360 workers which the management should adopt;
- (2) if not, what may be reasonably done to reduce their distress;
- (3) whether there was victimisation of members of the Trade Union in carrying out the retrenchment;
- (4) whether (1) D. Suman, (2) P. Madhaviah, (3) K. Suryanarayana, (4) K. Sanyal and (5) H. Appalannay should be removed from the service of the mill for the reasons stated by the workers;
- (6) whether the mill may reasonably be expected to give holidays and leave with pay to the workers; and
- (7) what other improvement in the conditions of work of the workers may be reasonably made by the management.

The attention of the Court is particularly invited to sections 5 and 9 of the Act which lay down the duties and powers of the Court and prescribe the procedure to be followed and also to the rules issued by the Local Government under the Act in G.O. No. 155 L., dated 30th January 1930.

G. J. PAUL,  
Secretary to Government.
